Researching Alzheimer’s Treatments: Where are We Now?

Our Speaker

Raj C. Shah, M.D.
Associate Professor, Family Medicine & Rush Alzheimer’s Disease Center
Rush University Medical Center – Chicago, IL

Today We Will Discuss:
The risk factors for Alzheimer’s
Some “beliefs” about risk
Research
How you can get involved
Risk factors for Alzheimer’s
Some “beliefs” about risk
Research
How you can get involved

Risk factors for Alzheimer’s
Genetics
Lifestyle

Lifestyle & Alzheimer’s Risk
Diet
Exercise
High Blood Pressure
Diabetes
Risk factors for Alzheimer’s

Some “beliefs” about risk

If my parents got it, I will too
Aluminum pots & pans
Doing crossword puzzles will prevent it

Research

How you can get involved
Why does it take so long for a drug to be approved?

Phases 1, 2 & 3 of a clinical trial

What is a “Study” versus a “Trial”

Current Research

What is going on now and showing promise?

Risk factors for Alzheimer’s

Some “beliefs” about risk

How you can get involved
How you can get involved
